

HOW TO PARTICIPATE

Gulf Coast Bank's "Auctions in August" is open to everyone, customers, bank employees and the general public. To participate in the auction and help us raise much needed money for over 200 various charities and organizations, all you need to do is bid!

How to bid:

The best way to bid is to check out the items on our website and visit the branch that has that item. There you will be able to look at the item up-close and place your bid directly on the bid sheet. Each branch will have several items for you to bid on and we encourage you to visit all of our branches.

You may also bid by phone up until 2:30pm the day the item is set to close. To place a bid by phone, you will need to check out our website, pick an item and the amount you would like to bid and call the branch that is housing that particular item. Let the Gulf Coast Bank employee know which item you would like to bid on; item #, item name, your bid, your name and your phone number. They will place your bid on the bid sheet in the branch at their convenience. While phone bids are sometimes easier, our employee's first priority will be help customers in the branch and on the phone, so please be patient if you are put on hold.

On the last day of the auction, bids by phone will not be taken after 2:30 p.m., we suggest you put in your highest bid early that day to increase your chances of winning. Phone bids after 2:30pm will not be accepted as our employees will need that time to work with customers conducting banking business in the branch or over the phone. Please understand that this auction is managed by our employees that are also continuing to run our branches, so please understand and be patient with them. If you have any questions regarding the auction, please send an email to auction@gulfbank.com
